

GYM BLEACHER REPLACEMENT PROJECT

The iconic South Broad Street gymnasium is about to get a facelift. When the CYO opened the facility in 1964, the bleachers installed were the "Cadillacs" according to our late founder and first CYO Director, the late Msgr. Leonard Toomey. But after 60 years of heavy usage, it is time for a new Cadillac!

The old bleachers were maintained well, but no longer meet the safety codes so the CYO is undertaking this major facility upgrade which will certainly give a great, fresh look to the centerpiece of our 104 year historic building (the former RKO Broad Theater).

These bleachers not only provide spectator seating for the weekend basketball games for our local Catholic schools/parishes, but these also serve the children in our pre school, after school program, and summer camp programs housed at the Center. Graduations, talent shows, staff trainings, community events, etc. will all benefit from the new bleachers.

This project will cost approximately \$155,000 - so the CYO is seeking support from the community to assist us. The form below offers various donation options for your consideration. Thanks for supporting the CYO and the children we serve!
